

3/1/06

Clerk of Court:

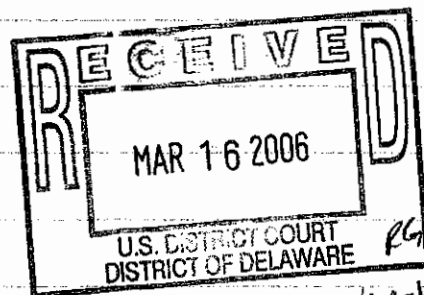

CA 06-117 SLR

Could you please let me know the status of the Habeus Corpus, 1983 Complaint, and Preliminary Injunction that was delivered to the Court House on 2/17/06. Is it possible to get a docket sheet? My circumstances have not changed. Some of my mail has been going through, so I'm hoping that when you send me this information, I will get it.

Sincerely,

Terri Meyer
